CATERING

Catering Menu

Mangia Mangia Café is perhaps the only local Italian Fast Food Restaurant that, since its inception in 1997, has consistently prepared all of its dishes in the Italian tradition. Attentive service, large portions and perfect balance between fresh homemade dishes and affordable prices are among our trade marks. You can enjoy all these in the perfect setting of the newly renovated City National Plaza.

Our Italian favorites, like various made to order Pasta dishes, authentic wholesome Pizzas, zesty Salads, hearty Sandwiches and Soups, grilled Fish and Chicken and heavenly Desserts, certainly need no introduction to the experienced Downtown diner, but, if it's your first time eating at Mangia Mangia, you may just feel like you have been reacquainted.

Mangia Mangia also offers catering services tailored to your catering needs. No event is too small or too big and our experienced staff will work with you to put together a menu fit for any meeting, function and budget.
